

JV GREYHOUNDS COME UP SHORT IN HOME LOSS TO SEQUOYAH 1-6

MARCH 13, 2024

The JV Greyhounds worked hard the entire game to be competitive but couldn't string together consecutive base runners for one of their signature explosive offensive innings to come away with the win. **Reid Bauer**, **Maddox Corya**, **JC Slavis** and **Will Zeigler** each collected a hit in the game.

In the bottom of the 6th, Bauer led off with a single to right field. Zeigler then crushed a 2-1 pitch to right field crossing up the outfielder so much, that he took two more bases on it stopping at third base as the ball came back in. Bauer crossed the plate on Zeigler's RBI single.

Lennon Baker started on the mound for the Greyhounds, his third start of the season. Baker threw 78 pitches- 44 of them for strikes. He struck out four and gave up three walks across 5 complete innings.

Sophomore **Davis Smith** came in the 6th for his first *relief* appearance of the season. Smith went three up three down with some great support from his defense. Smith returned to start the 7th. After giving up a single to the first batter he battled, he made a soft toss to first to keep the runner close. With the opposing dugout chirping about said move, Davis threw a laser to first baseman **Maddox Corya** who tagged out the leaning runner.

Hall Mitchell jumped on the mound with the one out in the 7th for his first appearance on the mound this season. Mitchell recorded his first career strikeout as a Greyhound. Mitchell got the remaining two outs in the top of the 7th.
